As a seasoned Story Artist and 2D Animator, I bring over 18 years of industry experience, predominantly in feature animation. I have had the privilege of contributing my craft to leading studios such as Pixar, Netflix, BlueSky, Aardman, and Cartoon Saloon.

My career is distinguished by a large array of acclaimed projects such as "Inside Out 2", "Nimona", "Wolfwalkers", "Charlie and the Chocolate Factory", "Ron's Gone Wrong", "A Shaun the Sheep Movie: Farmageddon", "Song of the Sea", "The Breadwinner", and "The Secret of Kells".

In addition to my professional roles, I am deeply committed to mentoring the next generation of storytellers. I have mentored at Pixar, Netflix, the School of Visual Arts in New York, and The Animation Workshop in Denmark, and currently impart my knowledge of storytelling at Schoolism.

At present, I find inspiration and continue to grow my creative journey from the bustling and vibrant city of New York.
